

Praying for Revival

Pray for yourself

- Pray that God will release you from the weight of past hurts, failures, and worries about the future...that you will be able to focus on the joy of a moment with God.
- Pray that God will reveal sin in your life that may be blocking the Spirit of God from working in and through you.
- Pray for courage to do something about that sin.
- Pray that when God speaks....you'll hear Him, you'll understand Him, and you'll find strength to obey.

Pray for others

- Pray for your church family, that God will fill them with a desire to be present
- Pray for your own family, that God will break their hearts and rebuild them in His own image.
- Pray for the opportunity to invite someone to come with you. Pray that God will put a name, a face, a person on your heart and that in His divine intervention He will give you the opportunity to bring them to revival.
- Pray that everyone who walks through the doors of our sanctuary during revival has an encounter with God that will change them for the rest of eternity.

Pray for our Service Leaders

- Pray for Rev. Bill Norris. Pray that God is already at work leading him in the direction we need to be taken. Pray that he will be faithful in delivering the message. Pray that his congregation will be blessed by the man who fills the pulpit in his absence. Pray that He is an instrument of God.
- Pray for Jerry and our Choir. Pray that they stay well. Pray that their voices stay strong. Pray that their spirits do not grow weary after a long week of services and singing. Pray that their work schedules fall into place so they don't have to miss any services. Pray that God will bless us through them.
- Pray for Pastor John. Pray that God will use him as His spokesperson in counseling opportunities that may arise. Pray that God will give Him discernment in planning services, presenting the invitation, and welcoming the Holy Spirit through prayer and preparation.
- Pray for those who will participate in drama, share testimonies, play instruments, sing solos, or participate in services in any way. Pray that God will use them in a mighty way.

Pray for our church

- Pray that this Revival will lead us into the perfect plan of God for us as a congregation. Pray that new ministries will spring up out of revival. Pray that new members will be introduced first to the Kingdom of Heaven and second to our congregation. Pray that every member of our church will take a step forward in their faith.
