We're Glad You're Here Today!

Welcome to Robinhood Road Baptist Church. Our greatest desire as a congregation is to impact the lives of our community, city, and world by sharing the good news of Jesus Christ. Every person who walks through the doors of our church is precious to God and therefore important to us. If you're looking for an authentic worship ex-

perience, solid Bible teaching, a spirit-filled congregation, and opportunities to put your faith into action.....we

believe you've found the right place.

Whether you're here today because you are new to the community, you're looking for a new church home, you are visiting with family and friends, or some other reason we're blessed by your presence. We hope that you'll be reminded today as you worship with us that God is good, all the time!
